My dad said he would buy me a new cell phone if I got a good grade on the test. Ugh, now I can kiss that cell phone goodbye. Have you tried the new restaurant? Yeah, it's very popular, and I waited over an hour to get in. How did you like it? It was for the birds. Why do you say that? That's the most interesting dining experience I've heard. Question: Why does the man say the new restaurant was "for the birds"?

Like, cook a big meal for myself and play with my cat. Maybe you should at least talk to her and ask her to stop? Well, words only hurt when they come from someone I care about. Rita is not my friend. Question: What is the woman going to do to deal with Rita?

So, can you ride a bike? No. But your bike is small, and my legs are too long. I'm sure you can keep your feet off the ground. But I look stupid. Or you could walk, it's only 15 minutes away. You know what? I think it isn't so bad to keep my feet off the ground for once. Question: How will the boy and the girl go to the ice cream shop?

Every day, when I drive to work, I need to stop many times for trains to pass. It takes me so much time to get to work. I think everyone will love it. When the trains start running underground, our driving time will be cut in half. Question: What do these three people think of Sunshine City's new plan?
